- ❖ **The 4th Annual Brussels Climate Change Conference**, 26-27 February, Brussels. After a series of high profile events related to climate change throughout 2007 such as the G8 summit or the major economies meeting, the climate change negotiations during the COP13 in Bali have accepted a roadmap for the negotiations for a post-2012 climate change agreement. After taking stock of the state of negotiations, this joint CEPS/Epsilon conference will explore the key issues for the post-2012 agreement. Details and registration: [www.climate-policy.eu](http://www.climate-policy.eu)
- ❖ **7th International Congress on Cultural Heritage Havana 2008**, 17-21 March. Every two years, the National Center for Conservation, Restoration and Museology, convokes to the International Congress on Cultural heritage, as part of the actions of its UNESCO Regional Chair of Sciences of Integral Conservation of Cultural and Natural Goods for Latin America and the Caribbean, involving worldwide architects, historians, museologists, museographers, restorers and other experts related to the field of conservation, with the purpose of exposing their works in favor of Cultural Heritage.
